2. Main Department - Statistics - of the State Statistical Administration for Statistics within the East German State Planning Commission works with the economic plans for all industrial concerns in East Germany, be they:

25X1

- a) VEB (Z)* nationalized establishments, centrally directed,
- b) VEB (K)** nationalized municipal establishments,
- c) Generale Betriebe - the so-called Konsum establishments,
- d) Privately owned concerns: H-Betriebe

2. The economic plans of these establishments are broken down by areas - in Main Department 2 into "planned" and "unplanned" comparisons, quantity-wise and by value, and are calculated in terms of selected products and on a quarterly basis with a more expanded nomenclature. From these area breakdowns, the Hollerith machines formulate a total picture for East Germany. Monthly production report statistics are translated into graphs and development charts once the report is completed. In addition, the Referenten in the Main Department produce an analysis of economic developments every quarter. *colate manager*
